

## **Summer Research Fellowship on Public Policy at IEG**

**INSTITUTE OF ECONOMIC GROWTH  
UNIVERSITY OF DELHI ENCLAVE  
DELHI-110007**

Applications are invited for Summer Research Fellowships at IEG, for a duration of six months (June-November, 2022). Postgraduate students who are currently enrolled in MA Part 1 or equivalent (4th year) in a five-year integrated program are encouraged to submit proposals in one of IEG's nine research themes (see IEG's website). The purpose of these fellowships is to encourage students to identify India's key socio-economic problems, gather evidence, and offer viable policy solutions after critical analysis. The selected applicants will be paid a stipend and a lump sum amount to cover field surveys. Fellowship details are available at the IEG website on the link given below.
