Mentor-Mentee Program, 2024-25

The following is the list of faculty mentors and their mentees. Students are encouraged to reach out to their respective mentors for guidance.

Email and office hours of the mentor are provided here for contacting the mentor. In case the office hours clash with class timings, the students should seek an appointment with their Mentor

(If any names are missing in the list, the same should be intimated to the Head of the Department via email immediately)
